Andrea Schinoppi

Personal information

- Date of Birth: 13th February 2000
- Gender: Male
- Nationality: Italian
- City of residence: Bologna (IT)
- Driving license: B

Contacts

See www.andreskin.github.io

Language skills

- Italian: mother tongue
- English: CEFR B2
  (UniBo CLA test - december 2022)
  (First Certificate - June 2018)
- Spanish: CEFR B2
  (DELE - January 2019)
- German: CEFR B1
  (Goethe Zertifikat - May 2018)

Developed projects

All the projects I developed are available on my Github profile:

github.com/AndreSkin

Education

September 2022 – present: Student of the Computer Science Master degree course at the university of Bologna.

September 2019 – July 2022: Achievement of three-year degree in Computer Science at the University of Bologna with a thesis entitled "La misurazione del teamwork nei progetti agili" and a final evaluation of 98 / 110.

September 2014 – June 2019: Achievement of "Liceo Linguistico" diploma with a final evaluation of 89 / 100.

Work experiences

04 October 2021 – 21 October 2021: Curricular internship (110 hours in total) at "CINECA Consorzio Interuniversitario".
I worked with two employees with a focus on the development of some micro services using Java with Spring Boot and Gradle and Feign.
Moreover, I got some basic training about web accessibility.

March 2017 – January 2019: Three-year internship for soft skills after classes (140 hour in total) at "library Gabriella Guidi - SET Leggere Insieme" in Bologna.
In particular, my tasks included library website and catalogue management and the training of the student who took my place at the end of the internship.

Publications

Paolo Ciancarini, Andrea Loretti, Marcello Missiroli, **Andrea Schinoppi**, *Training students to choose their agile practices and tools.*
For IEEE CSEE&T 2023 conference.

IT skills

- Operative systems: Linux, Windows
- Programs of Office suite, LibreOffice and Google documents, LateX
- Basic knowledge of Photoshop

Programming languages and tools

C Language, C++ Language, Java, Python, Javascript;

HTML, CSS, JQuery, basic knowledge of SQL, Git;

Accessdata FTK Imager, Autopsy, Mathematica, Omnet++.

Personal interests

In my free time I like to explore some aspects of IT security.
For this reason I also attend the Ulisse group (https://ulis.se/).
I am also interested in legal aspects of Computer Science, especially the forensic ones.
